CERTIFICATION AND DISCLOSURE STATEMENTS

Following is an explanation of submittal requirements of the ***Suspension and Debarment Certification Statement*** and the ***Certification Regarding Lobbying*** by School Food Authorities (SFA) and Food Service Management/Consulting Companies.

Beginning with the 1998/99 school year, instructions to comply with procurement requirements by completion of these certifications will be included in the annual renewal of School Nutrition Programs.

The applicability of this information begins with the 1998/99 school year and is for SFAs that meet one of the following criteria:

- The SFA's estimated annual federal child nutrition reimbursement will exceed \$100,000.
- The SFA's annual contract with a vendor exceeds \$100,000.
- The SFA utilizes a Food Service Management or Consulting Company and the annual contract exceeds \$100,000.

Suspension and Debarment Certification

This certification is required to be completed by the contractor each time an SFA renews or extends an existing contract that exceeds \$100,000. The certification is also required when an SFA puts out bids for goods and services that will exceed \$100,000. In these instances, the SFA must obtain a completed ***Suspension and Debarment Certification*** from either the potential vendor or existing contractor before any transactions can occur between the sponsor and the vendor or contractor (7 CFR 3017.110). This certification is required as part of the original bid, contract renewal, or contract extension to assure the SFA that the vendor or any of its key employees have not been proposed for debarment, debarred, or suspended by a Federal agency. While this certification is required for all contracts in excess of \$100,000, it is recommended that they be routinely requested under all procurements. The completed certification is to be attached to the signed contract and maintained on file by the SFA. **Do not submit the certification to the California Department of Education.**

Certification Regarding Lobbying

SFAs that receive in excess of \$100,000 in annual federal meal reimbursement **must** annually complete and **submit** this certification statement to the California Department of Education (CDE), Child Nutrition and Food Distribution Division (CNFFD). The statement is part of the annual renewal of the SFA's agreement with the California Department of Education, Child Nutrition and Food Distribution Division.

In addition, when SFAs put out bids for goods and services or renew/extend existing contracts that exceed the \$100,000 threshold, they are required to obtain a completed ***Certification Regarding Lobbying*** from either the potential vendors and/or existing contractors before any transactions can occur between the SFA and the vendor or contractor (7 CFR 3018.110). This certification is required as part of the original bid, contract renewal, or contract extension and is not submitted the CDE.

Also enclosed is the **Disclosure of Lobbying Activities** form. This is required to be completed if the potential or existing contractor, using other than federal funds, has paid or will pay for lobbying activities in connection with the school nutrition program agreement (Item 2 of the ***Certification Regarding Lobbying*** statement).

Applicable to Both Certification Statements

- Federal law prohibits SFAs from circumventing the \$100,000 threshold by entering into multiple contracts; each of which do not equal or exceed \$100,000, but the aggregate amount of all the contracts will equal or exceed \$100,000.

- Vendors must submit completed certifications to the SFA as part of the original bid, contract renewal, or contract extension. If completed certifications are not included, the original bid is considered nonresponsive, and the contract renewal or extension is incomplete. In order for the SFA to consider the original bid or renew/extend the original contract, the vendors must have submitted current certifications to the SFA.

SFAs with Food Service Management or Consulting Contracts

SFAs utilizing food service management or consulting companies **must** include both certification statements in all Requests for Proposals (RFP). SFAs must retain the certifications with its documentation of new contracts and contract amendments/renewals submitted to the CDE, CNFDD, for approval. The food service management or consulting company must annually sign and submit to the SFA both the ***Suspension and Debarment Certification*** and the ***Certification Regarding Lobbying***. If receiving more than \$100,000 in federal reimbursement, the SFA is required to sign and submit the ***Certification Regarding Lobbying*** to the CDE, CNFDD.

Summary

Suspension and Debarment Certification

1. The SFA must include this certification in all RFPs that result in an annual contract in excess of \$100,000.
2. A contractor is required to sign this certification when a contract or renewal contract with an SFA exceeds \$100,000 annually in federal funds.
3. The SFA retains certification signed by contractor with executed contract and maintains it on file.

Certification Regarding Lobbying

1. SFAs receiving in excess of \$100,000 in annual federal reimbursement must sign and submit this certification during the annual renewal of the School Nutrition Programs participation.
2. SFAs must obtain this completed certification from any potential or existing contractor as part of any original contract or contract renewal/extension that exceeds the annual expenditure of \$100,000 in federal funds. **Retain** the certifications with bid documents.
3. The **Disclosure of Lobbying Activities** form may need to be completed if any payment has been made or will be made to any person or lobbying entity. (Item 2 of ***Certification Regarding Lobbying***.)

If you have any questions regarding these requirements, please contact your School Nutrition Program analyst at (916) 323-1580 or call the toll free number (800) 952-5609.
