

Listen to Understand

REVOICE

Here is what
I heard...

INTERPRET

Is this
what you
mean...?

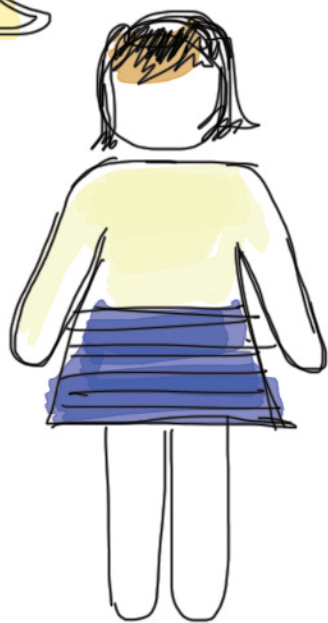

Genuine Questions

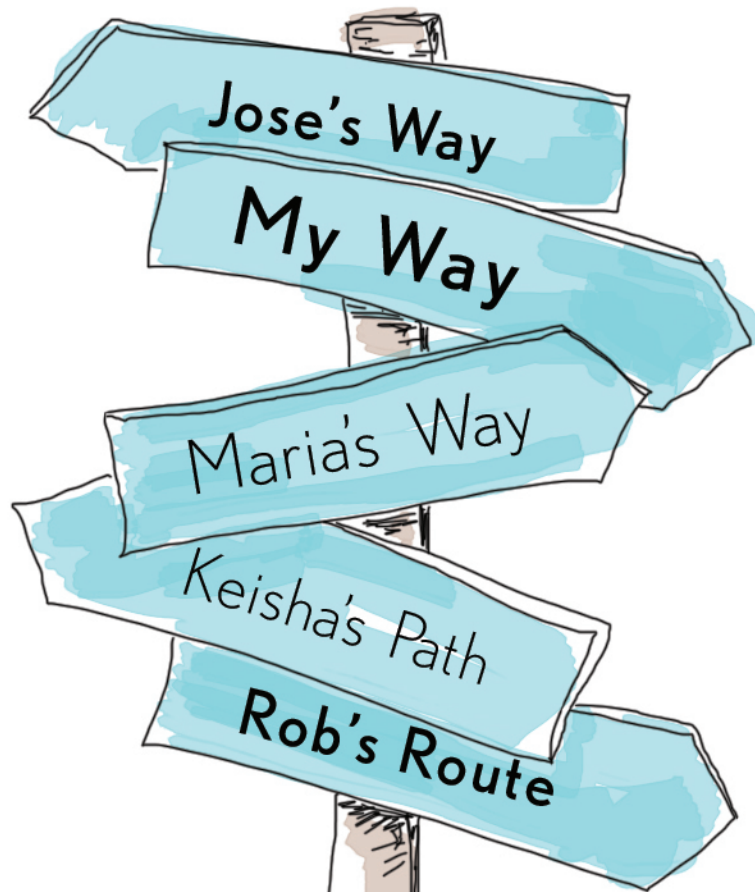

Private Reasoning Time

Before I hear
from you,
I need to
think...

Hmm...
What
are my
ideas?

EXPLORE

Multiple Pathways

Jose's Way

Everyone's Path

This idea repeats across everyone's math reasoning...

You reasoned from triangles & I used rectangles ... here's why both make sense!

My Way

Your Way

COMPARE

our LOGIC
& IDEAS

CRITIQUE & DEBATE

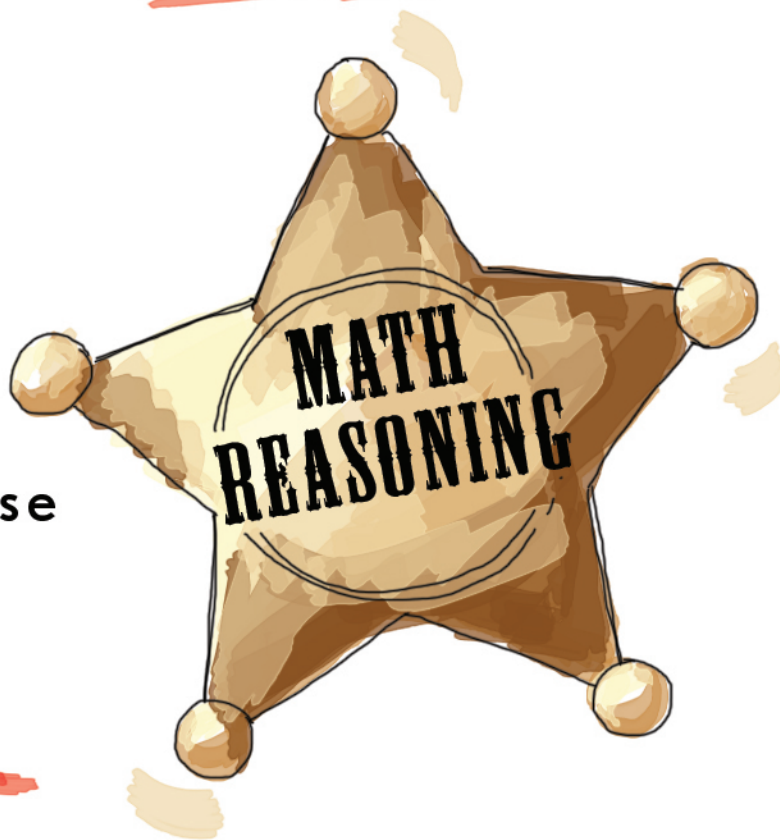

Relating to the distributive property **helped**...

I **disagree** because it **contradicts** what we learned about...

MATH REASONING is the Authority

Based on these
properties ...
that idea
makes sense.

The length **must be** 7 because
of the meaning of congruent.
